Positives:

Wonderful school, thank you.

A fantastic school. Teachers are great, it's run really well, the kids are happy. I recommend it to everyone.

Really lovely school with wonderful staff who clearly care for the children and go the extra mile with extra activities. I'm blown away by how caring the older children are around the younger ones. We feel very lucky that our son goes to Hauxton.

Given the resources you have, I think you do an excellent job and I think the staff are brilliant.

Even better if:

We would like more information about the weekly subjects and daily schedule.

Parent should be informed about the assessments taken and the marks our children got. As we can monitor it that way.

Require more information / frequency of information on child's development and whether there is stretch for them - in the Y2/3/4 mixed class.

More extra-curricular activities, especially design technology and musical.

I appreciate the resource limitations but I do sometimes wish there were more opportunities for KS1, especially musical eg a choir. However, I appreciate this may not be in your hands if there is no capacity.
