

Weekly Bulletin

September 13th 2024

It is nearly the end of our first full week together and I am delighted to say the children are getting used to their new classes, the expectations, and routines. Throughout the school we can see Hauxton's core values of

Well done children and staff for settling in so well and being such fabulous members of the team. As always, you can pick up helpful information to support at home and learn more about your child's day at school from Class Dojo and class and news pages on our school website.

Meet the Teacher

Staff warmly invite you into your child's class at the end of the school day next **Monday 16th September** to meet your child's class teacher informally and get to find out what and where your child will be learning this year. As the children settle into their new classroom routines, we thought that we would take this opportunity to promote [our new website](#) and class website pages. These contain a parent's page with staff photographs and class information about PE days etc. and topic and Year group expectations. We hope that this will be an opportunity for you to see what exciting learning activities your child is taking part in at school.

BE THE BEST *you can be*
