

Weekly Bulletin

December 13th 2024

A huge well done and congratulations to all the pupils, staff and volunteers for making last Friday's Carol Concert a huge success. I cannot commend the children enough for their confidence and talent on what can be a nerve-wracking event, performing to you all.

This concert is always a highlight of the Hauxton Primary School calendar and it is also a time to celebrate our children's musical talent. I would like to take this opportunity to thank everyone involved, including parents and staff who have spent a great deal of time preparing the children for this concert.

This week we saw our youngest pupils shine in their version of the Nativity story 'Whoops a Daisy Angel.' Whoops-a- Daisy is a disorganised but loveable Angel who struggled to do a good job, was given a very important task of showing the Shepherds the way to Bethlehem. She successfully completed her mission and everyone managed to see the baby Jesus lying in the hay. The costumes were fabulous and the singing was beautiful. A huge thank you to all the staff and children for their hard work.

There will be no further after school clubs until the new year.

On **Wednesday 18th December** the children will be celebrating Christmas with a special **Christmas lunch in school**. Children can wear Christmas outfits and all children will be able to enjoy the atmosphere together with the staff, crackers and festive cheer.

Be in the line at quarter to nine

Our Breakfast Club Plans

Booking is now open for Breakfast Club places for the Spring Term. From 7:45am for £5.25 per child, per day, children can have a healthy breakfast and play together under the supervision of school staff. More information can be [found here](#).

Diabetes Research

Researchers at the University of Birmingham with the NHS are conducting screening for children, aged 3-13 years to find out their risk of getting type 1 diabetes. This is a simple finger stick blood test can be done at home or school and **we are offering the screening at our school on Thursday 6th Feb 2025**. Children identified as at high risk can then be monitored and enter research studies aiming to delay the start of type 1 diabetes. Every family who takes part in the ELSA study is helping us to understand more about type 1 diabetes. View the [Study Website here](#). To consent for your child to take part -[sign your child up here](#).

Have a lovely weekend

Is your child registered for
SCHOOL MILK?

Child UNDER 5 **Child OVER 5**

Every child under the age of five is entitled to free school milk. Simply register your child online.

Every child over the age of five is entitled to milk at a subsidised cost of around £20 per term. Register your child and pay online.

Children in receipt of benefits-based free school meals are eligible for free school milk. Speak to the school for further information.

Free milk for under fives is funded by the Department of Health and milk for over fives is subsidised by DfES.
