Changing states of material in Willow Class

This year we have had our best ever yet response to our survey, with 43 responses! We very much appreciate the time that you spent and value all your views and feedback. We are very pleased with the high level of confidence you feel in all aspects of the school. Thank you also to those of you who included additional comments or suggestions. These will be noted for further discussion, as we continue to improve.

Take a look at our [results and future actions here](#). In the meantime, thank you for your support and partnership in our shared aim of giving your child a safe, happy and effective education. Here are a few comments...

My child feels safe at this school 98%

I can approach the school if there is a problem 95%

My child can take part in additional clubs and activities at this school 93%

"A fantastic school. Teachers are great, it's run really well, the kids are happy. I recommend it to everyone."

"We would like more information about the weekly subjects and daily schedule."

"Parents should be informed about the assessments taken and the marks our children got. As we can monitor it that way."

"Really lovely school with wonderful staff who clearly care for the children and go the extra mile with extra activities."

"I'm blown away by how caring the older children are around the younger ones. We feel very lucky that our son goes to Hauxton."

Be in the line at quarter to nine

Parents' consultation meetings take place in school on **Wednesday 26th and Thursday 27th Feb.** This is an opportunity for you to have a progress update from your child's teacher, and for them to provide an overview of your child in school. Look out for further notice of our online booking system opening after half term. We hope to see you there!

School Places

If you have a child due to start school in September 2025, the first application round is now closed. To apply as part of the second round please contact the Admissions Team at <http://www.cambridgeshire.gov.uk/admissions>. Please check with friends that applications have been made, thank you.

Community News

We have a number of staff and pupils who are regular recipients of NHS blood stocks. Please do take some time to consider [donating](#).

Twilight with the Museums 17-23 February 2025

This February half term, museums across the city will be opening their doors as the sun sets for illuminated adventures, from night-time nature hunts to torch lit trails. See Cambridge's museums in a new light as many brighten up their darkened galleries with spectacular lighting. Enjoy special performances, hands-on science, creative crafts and more! Events are free or low-cost, with both pre-bookable and drop-in activities. Many museums are within easy walking distance, so you can make the most of your evening. [Find out more here.](#)

Love your Home-Start

We are joining other local schools on **Friday 14th February** in raising money for this worthy charity, which supports families in our local community. Home-Start is a local charity offering support to families with at least one child under the age of 9. Please join us in wearing non-school uniform for a suggested donation of £1 each child. We hope that you will join us in uniting the schools behind this local family charity.

Free School Meals

Government Funded school meals are available for all pupils in Reception, Year 1 and Year 2. This initiative from the DfE has the purpose of aiding child development, supporting academic performance and improving levels of healthy eating. **Do I need to apply for this?** You will not need to submit an application because all pupils in Reception, Year 1 and Year 2 will automatically be entitled to the free school meal. The meal will still need to be ordered from the school. However, **if you are on a low income, we highly recommend that you do still [make a free school meals application here](#)** as it will also allow school to unlock additional funding for your child, which will go towards supporting their development.
