WiDderShiNs Visit

We had a huge amount of fun celebrating World Book Week! At Hauxton we really enjoy reading, and this was a brilliant way to celebrate our love of great stories. Children took part in book themed activities, and had a great time! It was lovely to see such imagination as the children came to school dressed as their favourite book characters. Thank you for all the effort made I hope that you have all located your book vouchers and are heading off to a bookshop to browse. If you are looking for some reading inspiration take a look at the suggestions from the [BookTrust](#).

Sharing books with your child and reading aloud with them at bedtime until they are well into secondary school is a fun, warm and loving experience. Just by reading aloud, together for ten minutes a day will see them grow into eager, confident learners, acquiring listening skills and gaining new words that are far beyond their reading ability.

The incredible Andy from Theatre of WiDderShiNs came in to thrill children and adults alike with his performance of '**Pigs and Bears Don't Come in Pairs**'. With a magical set and storytelling, which had us all on the edge of our seats. It was wonderful to see the children asking so many questions about how the sets and puppets worked, and we must say a massive thank you to Andy for taking the time to show the children all of the magic behind his wonderful show. Andy is known for his interactive and

imaginative performances that engage children in the wonders of storytelling. The performance was an exciting journey into the world of creativity and imagination and supported the children with their creativity when making their own puppets and performance later in the week.

Celebrate World Book Day with your Book Voucher!

To mark World Book Day, all children have received a £1 book voucher to use at participating bookshops. This gift from booksellers is a great opportunity for our young readers to pick out a new book and explore the wonderful world of literature. Remember, reading is a fantastic way to fuel the imagination and promote lifelong learning!

Your Child's Sleep

The Children's Wellbeing Service are aware that many parents struggle with their child's sleep and have produced four short videos [Part 1](#) - [Part 2](#) - [Part 3](#) - [Part 4 - \(adolescents\)](#) to support you further.

Internet Safety - Videos

YouTube is always a firm favourite; from animals doing funny things, to slime-making and game-tutorials, the internet has lots of fun for children of all ages to enjoy. This can be fun and entertaining for children, but as

YouTube is a public and open space where anyone can share content, it does mean your child may see something that might not be suitable. Advice on how to help your child watch safely [here](#).

[YouTube Kids](#) is a safer way for children to explore their interests. [Find out more here](#). Remember, primary-age children should be supervised at all times when online.

Thank you all for your support in getting our new Parent App up and running. **Please check your child's permissions in the app, by heading to the Parent Consent section.** We are confident that this change will help us serve you more effectively and improve your overall school experience. As always, we appreciate your support.

Notifying you about school First Aid Treatment

Please do feed back to staff on our real time alerts of your child's bumps and scrapes following the move to our new system. Please do phone school if you would like more information following an email – we will always phone you ahead of emailing, if we are concerned.

Email messages will be sent from donotreply@medicaltracker.co.uk. Please add this address to your email address books (or approved sender list) to prevent messages from being blocked by your SPAM/JUNK filters.

*Please check [our website calendar](#) for upcoming events and important dates
From the Team at Hauxton Primary School – we wish you well!*
