

# Weekly Bulletin

November 22<sup>nd</sup> 2024

*Canoeing in Norfolk*

This term is now well underway and the children's learning across all curriculum areas is progressing well. This week, school leaders have been out and about around school observing lessons, looking at books and talking to the children about their work. It is always a pleasure to drop into classes and see the children busy learning. From our observations and discussions with the children, our Hauxton curriculum is leading to our children knowing and remembering the information and skills they need to succeed. I hope that you see this at home and that your children are regularly coming home with lots of new information that they have found out in school.

On **Wednesday 18<sup>th</sup> December** the children will be celebrating Christmas with a **special Christmas lunch in school**. Children can wear Christmas outfits and all children will be able to enjoy the atmosphere together with the staff, crackers and festive cheer. Those children having a school dinner will be enjoying roast turkey or quorn fillet with roast potatoes, vegetables and gravy and festive treats for dessert. For those children in Willow Class or in Year 2, the Christmas Meal will be free of charge, for all other children the cost will be £3.25. To help us prepare for this, [please let us know](#) if your child will be bringing a packed lunch on the day.

Our **Christmas Post Box** will be open for business on 2<sup>nd</sup> December, on the railings at the front of school. Please would you make sure that all envelopes have the **forename, surname and class** of the recipient before posting them in the post box? This all helps our busy 'elves' delivering cards to the correct class.

I recently attended a professionals event at the [Cambridge Science Centre](#) at the Milton Road Science Park. If you are looking for a rainy day place to take your child, I cannot recommend the Centre enough. Pay once and get free membership all year – I certainly enjoyed my visit!

## When your child is unwell

When your child is unwell, it can be hard deciding whether to keep them off school. [These simple guidelines from the NHS should help](#). Not every illness needs to keep your child from school but if your child is not able to attend, be sure to inform the school each day of their absence by email or phone. **Please try to make all dentist and doctors' appointments outside school hours.** However, if this is not possible, please ensure your child is in school for both registration times so that they don't miss important information shared at this time.

## COULD YOU SUPPORT OUR SCHOOL BY BECOMING A PARENT GOVERNOR?

Governors are responsible for overseeing the management side of a school: strategy, policy, budgeting and staffing. They enable their school to run as effectively as possible, working alongside senior leaders and supporting teachers to provide excellent education to children.
