Learning about axels in Willow Class

With the Spring Term firmly established, like many, you may have decided that 2025 will be the year we are more prepared. No more searching the house for missing school shoes with minutes to spare! A school morning routine will help your child know what's happening and remember what they need to do. It will help you and your child feel positive about the day ahead, which is good for everyone's wellbeing. We do appreciate your child having everything with them that they need for school at the beginning of the school day.

All schools have a responsibility to help our pupils grow to be responsible, respectful and active citizens. At Hauxton, in Monday assemblies we start the week learning about core values which support us in 'being the best we can be.' We end the week meeting in our House Groups with pupils from other classes for buddy reading and finally celebrate great learning or attitude in our celebration assembly.

With the Spring Term firmly established, please take a moment to check out our [curriculum offer](#) and the relevant [year group pages](#) of our website to find out more about what your child is expected to learn by the end of the year.

Parents' consultation meetings take place in school on **Wednesday 26th and Thursday 27th Feb.** This is an opportunity for you to have a progress update from your child's teacher, and for them to provide an overview of your child in school. Look out for further notice of our online booking system opening after half term. We hope to see you there!

Be in the line at quarter to nine

School Places

If you have a child due to start school in September 2025, the first application round is now closed. To apply as part of the second round please contact the Admissions Team at <http://www.cambridgeshire.gov.uk/admissions>. Please check with friends that applications have been made, thank you.

Community News

We are running the Cambridge Half Marathon to raise money for the Arthur Rank Hospice in memory of our good friend Pippa Herbert who we lost on 3 March 2024 to Cancer. We met Pippa through Hauxton Primary School and many of you may remember her, as she was always there to help at events and bake sales to raise money for the school. We miss Pippa and wanted to do something in memory of her. Arthur Rank took care of Pippa and is such a wonderful charity who care for around 3,600 patients each year free of charge. It costs over £13 million to run their service with just over half of this coming from the NHS. The rest needs to be raised through charity events like what we are doing.

So, Lawrence, Maggie, Elliot and Lewin are all running the Cambridge Half on 9 March 2025. These boys (men) are not runners so this is a big thing for them. Our target is to raise £1,400 for the Arthur Rank. Please donate what you can using this link <https://arhc.enthuse.com/pf/jopling-5>

Twilight with the Museums 17-23 February 2025

This February half term, museums across the city will be opening their doors as the sun sets for illuminated adventures, from night-time nature hunts to torch lit trails. See Cambridge's museums in a new light as many brighten up their darkened galleries with spectacular lighting. Enjoy special performances, hands-on science, creative crafts and more! Events are free or low-cost, with both pre-bookable and drop-in activities. Many museums are within easy walking distance, so you can make the most of your evening. [Find out more here.](#)

Love your Home-Start

We are joining other local schools on **Friday 14th February** in raising money for this worthy charity, which supports families in our local community. Home-Start is a local charity offering support to families with at least one child under the age of 9. Please join us in wearing non-school uniform for a suggested donation of £1 each child. We hope that you will join us in uniting the schools behind this local family charity.

Free School Meals

Government Funded school meals are available for all pupils in Reception, Year 1 and Year 2. This initiative from the DfE has the purpose of aiding child development, supporting academic performance and improving levels of healthy eating. **Do I need to apply for this?** You will not need to submit an application because all pupils in Reception, Year 1 and Year 2 will automatically be entitled to the free school meal. The meal will still need to be ordered from the school. However, **if you are on a low income, we highly recommend that you do still [make a free school meals application here](#)** as it will also allow school to unlock additional funding for your child, which will go towards supporting their development.

Breakfast Club

Thank you to those parents who expressed an interest in our new Breakfast Club provision, which is now open. We look forward to working with your children and getting to know their Breakfast likes and dislikes. Booking for the club is now open on ParentPay and we are incredibly excited to share with you [new information](#) about our club. Our club is Ofsted registered so you can use **Tax-Free childcare to pay for your breakfast sessions** with us. This is just one way we can help make your childcare affordable.

Diabetes Research

Please sign your children up to this [important research study](#) for diabetes screening if you feel you can. Every family who takes part in the ELSA study is helping us to understand more about type 1 diabetes. To consent for your child to take part -[sign your child up here](#).
