Year 6 Ancient Greek Workshop Learning

We couldn't be more proud of our Year 6 pupils, who tackled their SATs this week with determination, positivity and real self-belief. Thanks to all the staff who supported them so expertly, and to every child across the school who helped maintain a calm, quiet atmosphere for our oldest pupils.

At Hauxton, our Year 6s arrived ready and excited for the challenge—and many even ended the week saying they'd enjoyed the experience! At Hauxton, we're equally committed to rigorous preparation but never lose sight of the importance of a broad and balanced curriculum. That's why, alongside focused test revision, we make sure there's always plenty of fun, hands-on learning to keep everyone inspired and motivated.

Well done, Year 6!

Federation News

This week, the Governing Board held meetings with parents to discuss the federation proposal. Here are some of the questions they asked...

Be in the line at quarter to nine

What are the benefits to Hauxton?

Cost savings have meant that:

- an extra member of teaching staff was appointed this year to increase the support pupils have
- the current level of additional support for pupils maintained
- we are futureproofing school from turbulent financial times

Why Federation?

Looking ahead schools budgets will not sustain the current staffing structure and changes need to be made. Over past years, Governors have looked at joining an Academy trust and come to the decision that Hauxton leaders and Governors value the autonomy they have as a LA school.

Will this impact Hauxton financially?

School budgets will remain completely separate and we have planned for positive impact; maintaining our current staff structure without redundancies and class changes.

Can my teacher be sent to work at another school?

Class teacher contracts with each school will remain the same. Only leaders will have federation contracts, which will allow them to support other schools if this does not influence classes.

Could we still be forced to academise?

Yes, the DfE can change legislation, but with an existing federation we could consider forming our own primary academy.

Breakfast Club

Good news—there are still spaces available at [Roosters Breakfast Club](#) at Hauxton Primary! Our club runs every weekday from 7:40 am, offering a fun, safe start to the day with a healthy breakfast, supervised activities and friendly faces.
