July 4<sup>th</sup> 2025

*Sports Afternoon Fun*

As we swiftly approach another year end in school, I am again more aware than ever how quickly time passes and how quickly our children grow during their time in school. It really doesn't seem possible that a whole year has passed since report time last year, and that opportunity for staff to reflect on how much your child has learnt this year and for children to consider what they are looking to improve on next year.

A huge thank you to all the parents and friends who came out to support our sports afternoon last week. The sun was shining and our children were on great form. It was a wonderful day, lovely to see all our children and families together enjoying the sports. A special mention to staff and Mrs Cooke for organising our sports events. A big well done to all the children who took part; a selection of photographs is now available [on our website](#).

We're pleased to let you know that children's end of year reports will be uploaded to your **MCAS (MyChildAtSchool)** account on Tuesday 8<sup>th</sup> July. These reports offer a valuable opportunity to celebrate your child's progress and achievements over the past school year. We encourage you to take some time to read the report together and recognise the hard work, growth, and successes your child has experienced. Let us celebrate their efforts and finish the year on a positive note!

Be in the line at quarter to nine

There are still lots of events to look forward to - Year 5 & 6 are busily rehearsing for their fantastic summer production '**Oliver with a Twist**' with performances planned for the children in school and evening performances on Tuesday 15th & Wednesday 16th July. The children have been rehearsing well, with some fabulous singing being heard from the school offices and the children are keen to perform this to you all.

Please do consider making a voluntary donation on MCAS towards the ongoing running costs of the pool. Swimming is a hugely important life skill; the National Curriculum states swimming must be provided in Key Stage 1 or Key Stage 2. As Hauxton has its own pool, all children from reception onwards are able to have valuable time in the pool and build their confidence and improve their abilities in the water. **Please consider donating if you can!**

The HSA team extends a warm thank you to everyone who supported and joined in. Your generosity and community spirit made it all possible! **All together we raised £1,300 at the fête for Hauxton Primary School — well done, everyone!**

## 30 hours childcare for eligible working families in England

**Are you a working family and earn over £183 per week?** From September 2025, [eligible working families](#) can now apply for **30 hours of childcare** from the term after your child turns 9 months old, until they start school.

## Family Advisor Summer Virtual Drop-Ins

Would you like to talk with a family advisor on a 1:1 basis over the summer holidays about parenting issues such as challenging behaviour, sibling rivalry, routines, sleep, etc? Then book onto one of these drop-in dates below. Sessions are 45 minutes each – [book here!](#)

Dates available to book:		
Wednesday	30 July 2025	10:00 - 14:45
Tuesday	5 August 2025	10:00 - 14:45
Wednesday	6 August 2025	10:00 - 14:45
Tuesday	12 August 2025	10:00 - 14:45
Wednesday	13 August 2025	10:00 - 14:45
Wednesday	20 August 2025	10:00 - 14:45
Tuesday	26 August 2025	10:00 - 14:45
Wednesday	27 August 2025	10:00 - 14:45

# Have Your Say: Digital Technology and Young Children

Researchers from the Department of Education at the University of Oxford are inviting families and educators of preschool and primary-aged children (2–11 years) in the UK to take part in a short survey.

The survey takes just 10 minutes and asks what questions *you* have about digital technology and young children, along with a few details about yourself. [Take part here](#)

This research is part of the Kids & Tech Questions project, led by the [Learning in Families through Technology](#) (LiFT) team. Their goal is to understand what questions matter most to parents and educators when it comes to children and digital technology.

Please check [our website calendar](#) for upcoming events and important dates  
From the Team at Hauxton Primary School – we wish you well!

## our swimming pool

### Learning to Swim

We are incredibly fortunate to have our own pool onsite. Our pupils benefit from dedicated weekly swimming lessons during the summer second half term, helping them to increase their confidence and skills in the water whilst creating happy memories of having fun with their friends.

Hauxton pool has taught generations of children to swim. It is our mission to ensure we can continue to fund this valuable resource. Pupils swim twice a week over 6 weeks - compare your donation to the cost of local swimming lessons which cost between £5 - £20 a week.

Each Year our HSA pay for:

- ✓ Commissioning
- ✓ Water testing
- ✓ Electricity for heating
- ✓ Chlorine and supplies
- ✓ Training for pool carers

Costs vary each year but can be up to £4,000

**We are asking each family to contribute £25\* a year to our Swimming Pool Committee help to keep our pool running \*or whatever you can give**

Remember to complete a Gift Aid Form (if you are eligible) so we can claim an extra 25% on your donation at no extra cost to you.

*giftaid it*

# Education Inclusion Family Advisor Team Summer Online Workshops

The EIFA team would like to present our newly updated workshops on a variety of parenting and family issues for the **School Summer Holidays**.

Please ensure you book onto each workshop individually by clicking on the link or scanning the QR code and completing the registration form.
