Cambridge Kids Club loose parts imaginative play

We are incredibly proud of our Year 6 pupils, who have now received their SATs results. These assessments are just one way to measure progress, and we are pleased to see the hard work, effort, and determination our pupils showed throughout the year reflected in their achievements.

Each child is so much more than a test score – and while we celebrate the academic progress shown in these results, we also want to acknowledge the many other qualities our pupils have demonstrated: kindness, creativity, resilience, teamwork, and leadership.

A huge thank you to all our staff for their dedication and support, and to parents and carers for the encouragement given throughout the SATs journey.

To our wonderful Year 6 – congratulations! We're so proud of you and excited for all the great things ahead as you move on to secondary school.

Children's end of year reports are available on your **MCAS (MyChildAtSchool)** account. Whether academic or personal, every achievement matters – and now is the perfect time to recognise how far they've come. Let's celebrate their efforts and finish the year on a positive and proud note!

Be in the line at quarter to nine

A Message from Governors...

We are pleased to inform you that we have identified several possible options in our search for a new Headteacher for September. Our priority remains finding the right candidate who shares our values, vision, and commitment to the success and wellbeing of all our pupils.

We appreciate your patience and support as we take the time needed to ensure the best possible appointment. We hope to be able to provide more details before the end of term, with Local Authority support we are reassured that there will definitely be a Headteacher in place before September term begins.

Looking ahead, our long-term goal remains to form a Federation. We believe this would offer greater financial stability and ensure that we continue the best quality education for Hauxton children, as evidenced in this year's strong academic outcomes. We are currently exploring a number of potential Federation partners in the local area and will keep you updated as this work progresses.

Thank you for your continued support

Year 5 & 6 Summer Production – Oliver with a Twist

Year 5 and 6 pupils have been working incredibly hard in preparation for their upcoming summer production, *Oliver with a Twist*. The children have shown great enthusiasm and talent during rehearsals, and their wonderful singing can often be heard from the school offices! They're very excited to share their performance with you. There will be shows for pupils during the school day, as well as evening performances for families on Tuesday 15th and Wednesday 16th July.

Tickets are now available on MCAS– don't miss out on what promises to be a fantastic show!

Please do consider making a voluntary donation on MCAS towards the ongoing running costs of the pool. Swimming is a hugely important life skill; the National Curriculum states swimming must be provided in Key Stage 1 or Key Stage 2. As Hauxton has its own pool, all children from reception onwards are able to have valuable time in the pool and build their confidence and improve their abilities in the water. **Please consider donating if you can!**

Play Mobil Magic!

A big thank-you to *Cambridge Kids Club* for inspiring our lunchtime fun! Their Play Mobil van was jam packed with materials for the children to explore. The van was a treasure trove of fascinating loose parts and scrap materials—perfect for curious minds! Children had an amazing time exploring, constructing, and deconstructing, letting their imaginations run wild. They had a fantastic time imagining, building, and rebuilding—completely absorbed in creative play. Best of all, not a single cry of "falling out" all lunchtime—just teamwork, laughter, and endless ideas! It was wonderful to see so much creativity, cooperation, and fun!

our swimming pool

Learning to Swim

We are incredibly fortunate to have our own pool onsite. Our pupils benefit from dedicated weekly swimming lessons during the summer second half term, helping them to increase their confidence and skills in the water whilst creating happy memories of having fun with their friends.

Hauxton pool has taught generations of children to swim. It is our mission to ensure we can continue to fund this valuable resource. Pupils swim twice a week over 6 week - compare your donation to the cost of local swimming lessons which cost between £5 - £20 a week.

Each Year our HSA pay £25:

- ✓ Commissioning
- ✓ Water testing
- ✓ Electricity for heating
- ✓ Chlorine and supplies
- ✓ Training for pool carers

Costs vary each year but can be up to £4,000

We are asking each family to contribute £25* a year to our Swimming Pool Committee help to keep our pool running *for whatever you can give

Remember to complete a Gift Aid Form (if you are eligible) so we can claim an extra 25% on your donation at no extra cost to you.
