

◆ WELCOME TO THE HAUXTON HERALD ◆

I hope this week's newsletter finds you and your family well. This week, we have been thinking about how we value and link with our community. In particular, this has been most strongly seen in supporting the harvest appeal for Jimmy's Night Shelter, through working with St. Edmund's church.

On Wednesday, Rev. Mandy and Mrs. Blowers led a harvest assembly. This helped us to focus on how grateful we are to have such a wonderful range of foods and to think about how we can help others in our community. Thank you so much for your kind donations, which have been safely taken to St. Edmund's Church.

MR GREY

ASPIRATION

With 4 key values that sit central to the work of the school, we aim to highlight how we develop these with the children and the school community. This week, many children across the school prepared speeches to present to their class. These outlined why they would make good candidates for the role of School Councillor.

Oak - Isabel C-L and Sam T

Sycamore - Reuben D and Charlie C

Willow - Nadine T and Alfie C

This year, the staff wished to create a special new role - Pupil Ambassador. This is for a member of the school community who always goes out of their way to look after all others in the community. We are delighted to announce that Ollie S was appointed to this role.

Our Key Stage 2 School Councillors and Ollie undertook their first job in delivering the harvest gifts to St. Edmund's church.
