Hauxton Primary School Newsletter

Dear Parents and Carers,

Firstly, thank you for supporting the children to adhere to our uniform expectations. I know that some of you are currently waiting for deliveries of school sweatshirts, but we can already see a significant improvement in the number of children wearing the correct uniform. It really helps to reinforce the feeling of community within the school.

On the theme of community, over the Christmas break the hands ,decorated by staff and the children during the Autumn term were added to our community tree display in the hall. The hands create the leaves of the tree and share the values and people that are important to the children and staff of the school. Having the display on the kitchen wall provides a great backdrop for assemblies and acts as a constant reminder of what is important to us. Do take the time to check it out next time you are in school.

We have recently taken delivery of a large number of new reading books to support our phonics scheme. These have been funded by generate grant from the English Hub and 25% match funding from the HSA. The phonics reading books cost us between £4-5 a book, so they are a really valuable resource. Please can I ask that you have a good look at home for any school reading books that might have found their way into drawers or on to bookshelves? Please don't feel embarrassed about returning them—we'd much rather have them back in school for reallocating to another child.

Have a lovely weekend everyone.

Golden Jubilee

1974—2024

Save the Date

It has been brought to our attention that this year marks the 50th anniversary of the opening of the original school building. We feel that it would be remiss to let this significant milestone pass without marking the occasion some way.

We are therefore planning to mark the Jubilee with a House Day on Friday 5th July followed by a Summer Fayre on Saturday 6th July. The HSA will be leading the organization of the summer fayre and we would love to be able to extend the celebrations into the evening with a family barbecue. However, to ensure the safety and success of the event will require significant volunteers. If you would be able to offer some time to support this event, please let the HSA know so that we can scope out what might be possible.

If you have any old photographs, or are a past pupil of the school, we would love to hear from you. We would like to include some social history as part of the children's celebration on the Friday, so to hear stories of the 'old days' could be really interesting for them.

It's a girl!

We are delighted to announce the safe arrival of Penelope 'Penny' Iris Lay born on Monday 15th January 2024 at 12.02pm. Both mum and baby are doing well and we look forward to welcoming Mrs Lay and Penny into school very soon!
