Half Term Value: Belonging

This Week...

This year, we are delighted to have welcomed 18 new children to our school. It has been lovely to see our whole school community helping them to settle in and making them feel so welcome. Our Year 6 children have also begun supporting their Reception buddies, helping our youngest pupils to feel happy, confident and part of the Hauxton family.

We are also very pleased to welcome Mr Kay to our team and the wider Hauxton community. We hope he will be very happy here!

In our Welcome Back Assembly, we revisited the school vision that our whole community worked together to develop last year with Mr Grey:

"We are a small school, with a big heart – inspiring creativity and curiosity: a community to belong and grow."

We spent time thinking about what these words really mean and, importantly, how we can bring them to life every day. We talked about how everyone at Hauxton has a part to play in creating a school where we belong, grow, explore, create and care for one another.

It has been a fantastic start to the new school year, and we are very much looking forward to all that the year ahead will bring. **Mrs Lay**

Important Free School Meal Update

All families in receipt of Universal Credit **MUST** apply for free school meals, even if their child is R-Y2, as this enables funding. Also we need to record the different types of FSM for the census. Please can you register as soon as possible so that we are ready for the census early Oct.
