Buddy Reading

Being the best we can be!

11th September 2026

Half Term Value: Belonging

This Week...

Our first full week back is complete. It has been amazing to see the bustle of learning happening all around the school. This morning, reception and our new pupils had their first experience of buddy reading in their houses and it is always so lovely to see our older pupils supporting our younger ones.

This week, we have been so impressed with our new reception children, who have shown what fantastic learners they are, having a go and listening carefully. Our year 2,3,4 children have been inventors as part of their Curious Quests learning. They have made some incredible inventions to help the faithful friends, including drones and lifts. In Oak, they have been taken to the Amazon through the book *The Explorer*, where this week, they have even tried some 'delectable' grubs! You are very brave, Oak!

Next week, we welcome you to join us for our Meet the Teacher evening, where we will share the priorities for the year and answer any questions you may have. It is also an opportunity to go and find out more information about the individual classes with the class teachers. We look forward to seeing you there!
Mrs Lay

Residential

As you may have seen on Class Dojo, there will be a Residential Information evening on Wednesday 23rd September at 6pm. We hope you will be able to make it!
Please can we ask that the final balance is paid by Monday.
