Science in Oak

Being the best we can be!

18th September 2026

Half Term Value: Belonging

This Week...

Thank you to all of our families who joined us on Tuesday for Meet the Teacher. It was wonderful to have the opportunity to speak with so many of you, and our teaching team really enjoyed being able to talk with you about your child and the year ahead. We greatly value the partnership between home and school and know how important working together is in supporting our children to thrive.

With the swimming pool closing for the season last week, I would also like to say a huge thank you to all of the families who purchased memberships and contributed towards supporting swimming lessons for our children. We are incredibly fortunate to have this resource on site.

A special thank you must go to Michele for all of her hard work and commitment in ensuring that the pool was able to open to our school and the community throughout the summer. We are also incredibly grateful to all of the volunteers who gave their time to help with chemical checks, maintenance and everything else needed to keep the pool running safely. We are already looking forward to another summer of swimming next year!

Harvest Assembly

Next week, Reverend Mandy Flaherty will be joining us in school to lead our Harvest assembly. As part of our Harvest celebrations, we would like to support the church by collecting food donations for their chosen charity, which Reverend Mandy will reveal to the children on Monday.

If you are able to contribute, we would be very grateful for any food donations to be brought into school at any point during the week, but please ensure that all donations are received by Friday, ready for us to pass them on to the church. Thank you, as always, for your continued support and generosity.

NCFE CACHE LEVEL 2 AWARD IN SUPPORT WORK IN SCHOOLS AND COLLEGES

Interested in a career in
education or looking to
develop valuable life
and work skills?

Starts: 16/09/2026

Ends: 09/07/2027

09:00 – 11:00

Wednesdays

@ Huntingdon Nursery

Huntingdon
Nursery and Primary
Federation

If you are looking at starting a career as a teaching assistant or a learning support assistant then our course will help you develop your skills, knowledge and understanding needed to work in school or college environments.

You will learn about the development of learners, the importance of promoting positive behaviour, how to work collaboratively with teaching staff and gain effective communication and an understanding of safeguarding.

For more information or to book please contact
07858160015 or email Clare.payne45@gmail.com
